P/L Kit White	0921775

Trusoft™

- Intermediate liner for patients requiring a prolonged adjustment period prior to using a hard liner or denture base material

Standard Kit, Pink	0921250
--------------------	---------

Original Truliner®

- Reline material formulated to last the life of the denture
- Prevents the reline from assuming odors, tastes, or stains

Standard Kit, Pink	0921940
Standard Kit, Vein	0921941
Standard Kit, Clear	0921942

New Truliner®

- Developed to restore a denture's original fit in as little as 10 minutes
- Color stable and a high density surface

Standard Kit, Pink	0921970
Standard Kit, Vein	0921971
Standard Kit, Clear	0921972

DentuSil™

- Provides denture patients with a comfortable, reliable reline in just one office visit that lasts up to a year in the mouth
- Kit includes a silicone release that allows the easy removal of DentuSil™ when the patient is ready for a new soft or hard reline

Standard Kit	0921276
